OBJECTIVE

As an enthusiastic and driven Computer Science & engineering student, I am eager to commence my professional career in software development. Although I may not have previous work experience, my academic background and unwavering passion for programming have provided me with a solid foundation and a deep commitment to achieving excellence.

EDUCATION

AKTU, Krishna Engineering College	7 sgpa till 5th Semester
<i>Bachelor of Technology in Computer Science and Engineering</i>	<i>June 2020 - April 2024</i>
CBSE, G.B.S.S.S.	6.4 cgpa
<i>Intermediate</i>	<i>June 2020</i>
CBSE, Capital Public School	9.2 cgpa
<i>High School</i>	<i>June 2017</i>

PROJECTS

Image Editor click me	Tech Stack: Html, CSS, and JavaScript	March 2023
<ul style="list-style-type: none">Developed robust web application for image editing with intuitive user interface for efficient editing process.Implemented advanced functionalities for image manipulation, incorporating rotation, flipping, grayscale conversion, and brightness adjustment.Ensured comprehensive and seamless editing experience for users.		
Todo List click me	Tech Stack: Html, CSS, and JavaScript	March 2023
<ul style="list-style-type: none">Designed and developed user-friendly to-do list application.Facilitates seamless task management.Intuitive functionalities for task creation, deletion, and marking tasks as complete.		
Weather App	Tech Stack: Flutter, and Weather API	June 2023-Present
<ul style="list-style-type: none">Developing cross-platform weather application using Flutter framework.Integrating various APIs for up-to-date weather data and forecasts.Ensuring compatibility across iOS, Android, and web platforms.		

SKILLS

Java - Intermediate proficiency
Currently learning **Flutter** for cross-platform app development.
UI/UX - Proficient in UI/UX design principles, wire-framing, and prototyping.
Intermediate-level knowledge of **HTML**, **CSS**, and **JavaScript** for web development.
